108 GRADUATES COME BACK TO ACADEMY FOR ALUMNI PROGRAM

27 CLASSES ARE REPRESENTED;
1940 ALUMNI DAY RECORD BROKEN

Twenty-seven classes were represented as 108 alumni returned to Governor Dummer on Saturday, May 17, to break all records for Alumni Day. Last year's figure of 95, the previous record, was thus eclipsed by 13.

The oldest graduate present was Mr. George W. Adams of Newburyport, who graduated with the Class of 1873, and the honor of having the largest representation from a class was shared by the Class of 1939 and 1940, each of which had 16 members back. Trailing close behind in third and fourth place were the Class of 1938 with 14 and the Class of 1936 with 13.

Other class totals were as follows: the Classes of 1873, 1883, 1886, 1891, 1893, 1907, 1909, 1912, 1913, 1915, 1919, 1926, 1928, 1929, and 1930—1 each; the Classes of 1916, 1924, and 1931—2 each; the Classes of 1932, 1933, and 1935—5 each; the Class of 1934-6; and the Class of 1937—7.

SCHOLARSHIP GIVEN TO SCHOOL IN MEMORY OF RICHARD FRANCIS

At the evening meeting on Alumni Day Mr. Eames announced that the school had been given the gift of a scholarship by Mr. and Mrs. Clarence Francis in memory of their son, Richard Hawes Francis of the Class of 1936. Francis, who was one of the outstanding boys in his class here, was killed in an automobile accident in California on November 18, 1940.

The gift is to be known as the Richard Hawes Francis Scholarship and is to be given each Commencement to "a senior of high character, who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life."

ALUMNI ASSOCIATION OFFICERS
ELECTED; CONSTITUTION ADOPTED

An active Alumni Day program supplemented by the official opening of the New Building and the dedication of two of the rooms faced the graduates who returned on Saturday.

Afternoon Events

At 2:00 o'clock a baseball game was played with Kimball Union Academy on Morse Field, and the graduates were treated to a fast brand of ball as the contest was rattled off in an hour and twenty minutes while the Governors emerged victorious 3 to 0. At the same time on Whipple Field the lacrosse team taught a lesson to an alumni aggregation by winning 10 to 4. On the golf course the linkmen lost a 15½ to 2½ decision to a team from the Ould Newbury Club.

Following the athletic contests the dedication of the dining hall to the memory of William Jacob was held before an audience of 300, the dedicatory address being given by Dr. Rufus M. Jones, professor-emeritus of Haverford College, who spoke of the life and character of Mr. Jacob.

Business Meeting

The alumni then adjourned to the new living room for a business meeting, where with the adoption of a constitution and the selection of officers an Alumni Association came into actual being. The constitution provides that any person who has attended the Academy for at least one year automatically becomes a member of the Association. The

THE NEW BUILDING

DEDICATION EXERCISES FOR ROOMS MARKS OPENING OF NEW BUILDING

On Alumni Day the official opening of the completed New Building was marked by the dedication of two of the rooms. The dining hall was named the William Jacob Room and the living room the Philip Cobb Room. As these two rooms were named in honor of former teachers of the school, it was felt that Alumni Day, when many of the students and friends of the two men were present, was the most appropriate time for the dedicatory exercises.

The third main section of the building, the entrance hall, will be dedicated at Commencement time to the memory of the Reverend Carroll Perry.

The ceremony in connection with the naming of the William Jacob Room took place at 4:45 o'clock on the afternoon of Alumni Day. At that time an address was given by Dr. Rufus M. Jones, professor-emeritus of philosophy at Haverford College. Dr. Jones is one of the leaders of the Society of

Friends in the United States and from 1917 to 1928 he was chairman of the American Friends Committee for European Relief.

A tablet was placed in the dining room bearing Mr. Jacob's name and an inscription. Mr. Jacob was a teacher and officer of the school from 1930 to 1938.

The dedication of the living room was adiectly after the evening meeting, the first official school assembly to be held in the new wing. The room is named to honor the memory of Mr. Philip Hacker Cobb who was a teacher at the Academy from 1933 to 1938. It is especially appropriate that the name of Mr. Cobb should always be connected with the New Building, since it was largely through his enthusiastic support and advice that the original boys' campaign was organized six years ago, which resulted in the present dining hall wing.

The dedicatory address was given by Dr. Kenneth C. M. Sills, president of Bowdoin College.

The entrance hall of the new unit will not

officers chosen as a result of the vote of the members were Richard L. Segler of the Class of 1934, President; Benjamin Pearson of the Class of 1916, Vice-President; Oliver Andrews of the Class of 1935, Secretary-Treasurer; Gerald May of the Class of 1926 and Thomas S. Walker of the Class of 1930, Executive Committee members for two years; and Theodore W. Lacey of the Class of 1938 and Stafford J. King, Jr., of the Class of 1936, Executive Committee members for one year.

A nominating committee consisting of Frank T. C. Hale of the Class of 1916, John English of the Class of 1933, Clyde F. Cristman of the Class of 1934, Paul H. Comins of the Class of 1936, and F. Harrison Poole of the Class of 1939 put forward the names to be voted upon.

The graduates chosen to stand for election to the various offices in the Association, outside of those elected, were as follows: for President: Calvin Eldred, III, of the Class of 1933 and Clyde F. Cristman of the Class of 1934; for Vice-President: Roger B. Coulter of the Class of 1914 and John Skeelee of the Class of 1915; for membership on the Executive Committee for two years: Phillips G. Terhune of the Class of 1927 and Karl J. E. Gove of the Class of 1928; for membership on the Executive Committee for one year; Frank S. Abbott of the Class of 1935.

As the result of a hard thunder shower, the buffet supper which was originally scheduled to be held on the Mansion House lawn was served instead in the dining hall. Coffee was served afterward in the old kitchen of the Mansion House.

Evening Meeting

A special evening meeting was held in the new living room at 7:45. Mr. Sager conducted general school singing and a resume of the day's sports events was given by the coaches. Pitcher Ernest Bowler and catcher and captain Guy Nichols of the undefeated baseball team were introduced. The Glee Club then sang a group of four numbers.

An award to a graduate was next made by Mr. Eames. This was given to the alumnus who traveled the farthest in returning to the Academy. This was received by Carl A. Buechner, Jr., of the Class of 1931, who had come all the way from Fort Benning, Georgia, where he is an officer.

ANNUAL ALUMNI PRIZE WON BY

DR. STORER P. HUMPHREYS '22

Dr. Storer P. Humphreys of the Class of 1922 was announced as the winner of the Alumni Prize awarded annually to the graduate who has brought distinction both to himself and to the school by his work after leaving Governor Dummer. Dr. Humphreys is well known in medical circles as a specialist in brain surgery. At the present time he is in England where he was sent by the Canadian government to take charge of a neurological hospital near London, where he is applying his discoveries in connection with brain adhesions.

After his graduation from Governor Dummer Dr. Humphreys went to Norwich University and the Yale Medical School, where he was the ranking scholar of his class. In 1937, having completed his internship in Boston hospitals, he was sent to the Montreal Neurological Institute by the Rockefeller Foundation to do research work in epilepsy. In collaboration with Dr. Wilder A. Penfield he did experimental work for the Canadian government which resulted in the discovery of a new remedy for adhesions of the brain to the skull, which he is now applying to war casualties in England.

The prize was received for Dr. Humphreys by Robert Barton, a nephew of the winner.

ALUMNI NOTES

1907: Mr. George Croston has presented to the library a set of 32 books.

* * *

1936: Frederick Zins is teaching at Vermont Academy and is assistant baseball coach of the varsity team this spring.

* * *

1937: Stanley James is pitching for the Bowdoin varsity baseball team.

* * *

1939: Norman Fox is the ace photographer of the college paper at Union, and he also does work for metropolitan news agencies.

The meeting was brought to a close by the dedication of the living room to the memory of Philip Cobb. Dr. Kenneth C. M. Sills of Bowdoin gave the address and spoke on the genius of the American preparatory school and the training which it gives its students through the teaching of such men as Mr. Cobb.

PARSONS SCHOOLHOUSE REBUILT DURING SUMMER VACATION

During the last summer the Parsons Schoolhouse, which was damaged by fire a year ago January, was completely rebuilt and was ready for use when school opened. On the ground floor are large classrooms with the most modern equipment. Each has unusual blackboard space, semi-indirect lighting, and air-conditioning.

On the second floor the old study hall has been changed into a class room primarily for biology.

The exterior of the building remains in its original form, except for the fact that the chimney which was formerly at the rear has been moved to one side and an iron fire escape stairway has been added behind one of the wings.

MORE BRIEFLY

William Davison is the English exchange student at the Academy this year. He came here in October from the Felsted School in Essex, where he was one of the school leaders. He was Vice-Captain of the school, a school Prefect, an honor student, and a fine all-round athlete. Before leaving England he went through 112 air raids and he has an intimate knowledge of wartime conditions. He has throughout the year been much in demand as a speaker on his experiences and on wartime England.

* * *

During the fall Mr. James Duncan Phillips, President of the Board of Trustees, was fortunate to be able to purchase from a dealer in autographs the original will of Lieutenant-Governor Dummer, in which he bequeathes his land in Newbury for the founding of a grammar school. For a great many years the whereabouts of the will was unknown.

* * *

At a meeting of the Board of Trustees in September two new members, Mr. Marshall B. Dalton of West Newton and Mr. William S. Nutter of Sanford, Maine, were elected to the Board. Mr. Dalton is a member of the Corporation of the Massachusetts Institute of Technology and is director of the Boston Chamber of Commerce. Mr. Nutter, a trustee of the University of Maine, is the inventor of Palm Beach Cloth and is Vice President of the Goodall Worsted Company in Sanford.

ALUMNI CORDIALLY INVITED TO 178th COMMENCEMENT EXERCISES

The 178th Commencement exercises of the Academy will take place this year on Friday, June 6. The exercises are planned not merely for parents of seniors but for all who are interested in the school. The Academy extends an especially cordial invitation to all members of the alumni body who may wish to attend the various events beginning with the traditional Senior Sing on Sunset Hill on Thursday evening, June 5, and ending with the Commencement Dinner on Friday evening. It is hoped that as many graduates as possible will return to the school at that time.

He was chaplain on board the flagship of the Atlantic fleet during the World War, and later he was for six years associate minister of the Old South Church in Boston.

The Commencement Dinner speaker, Dr. James Rowland Angell, president-emeritus of Yale University, is one of the most noted psychologists in the country as well as one of the most famous educators. At present he is the educational counsellor for the National Broadcasting Company, a position which he has held since he retired as president of Yale in 1937.

The Reverend Vivian T. Pomeroy, also a speaker at the Commencement Dinner, is minister of the First Unitarian Church in Milton.

MANY GRADUATES IN U. S. ARMED FORCES AND DEFENSE INDUSTRY

In past weeks the school has been making an effort to compile as complete material as possible in regard to members of the alumni body who are now either serving in the United States armed forces or are engaged in defense industry work. The alumni have cooperated well in this venture, and the results as of May, 1941, are included in this article. The list of men is as complete as it has been possible to make it in such a short time, but if graduates who receive this bulletin have any additional information, the school would appreciate having the material sent here.

The following alumni are now in the armed forces:

THIRTY-ONE ALUMNI RETURN FOR BASKETBALL AND HOCKEY GAMES

Thirty-one alumni returned to school on Saturday, February 1, to participate in or witness the graduate games in hockey and basketball with the Governor Dummer varsity. The graduates defeated the Academy team 8 to 3 in hockey, but they were nosed out 36 to 32 in basketball.

The hockey game was played in the afternoon and the basketball in the evening, and such robust graduates as Russell Simons and John Koslowski made an impressive appearance in both contests, in fact, Koslowski shared high scoring honors in both.

The basketball game was followed by a reception in the old Mansion House kitchen and a number of the graduates remained at school over night.

Those returning were as follows: from the class of 1934, Robert Hale and Richard Sprague; from the class of 1937, Donald Gibbs and Randolph Barrett; from the class of 1938, Leonard Poor, John Ross, Simons, Michael Lawler, Henry Cleaveland, and Richard Merrill; from the class of 1939, Edward Noyes, Samuel Kitchell, Charles Hewitt, Adrian Hasse, Koslowski, Henry Payson, and

Joseph Pearson; and from the class of 1940, Charles McDowell, Theodore Earnshaw, Andrew Bailey, Edward Riley, Edwin Sheffield, John Newman, John Dyer, James Dodge, Kurt Hoffman, Donald Mortimer, Robert Nutter, Willard Little, Leonard Zins, and Theodore Munro.

ALUMNI SEXTET TROUNCES HOCKEY TEAM BY REAL SHOW OF POWER

With the best Alumni team that has ever faced the Governor Dummer varsity, the graduates taught the undergraduates a lesson by defeating them 8 to 3 on the Parsons Rink, February 1.

Early in the first period Andy Bailey, star winger on last year's varsity, notched the first goal. Captain Dick Wyman then scored for the Governors, but the Alumni went ahead on Johnny Koslowski's shot, and they continued to increase the margin.

Outstanding for the Alumni were, of course, Bailey and Koslowski with three goals apiece, but the real play-maker was John Ross of the Middlebury College varsity who drew four assists. Other Alumni players were Henry Payson, Willard Little, Dick Sprague, Lennie Zins, Ed Noyes, and Pete Pearson.

be dedicated until June 5, when the exercises will take place after the Senior Sing on Sunset Hill. The hall is to be named the Carroll Perry Room in memory of the Reverend Carroll Perry, who was a trustee of the school from 1931 to 1937.

The address will be delivered by Dr. Lewis Perry, Principal of Phillips Exeter Academy.

INSCRIPTIONS IN NEW BUILDING

The dining hall is named the William Jacob Room in memory of William Beale Jacob, from 1930 to 1938 an inspiring and scholarly teacher, an able and devoted officer of this school.

The entrance hall is named the Carroll Perry Room in memory of the Reverend Carroll Perry, brilliant preacher, genial neighbor, and good friend, who served as a trustee of the school from 1931 to 1937.

The living room is named the Philip Cobb Room in memory of Philip Hacker Cobb, a teacher in this school from 1933 to 1938, a man who loved boys and who in turn was loved by them.

LAST MINUTE ALUMNI RALLY FAILS
TO CATCH GOVERNORS' HOOP TEAM

A spirited rally on the part of the Alumni just failed to catch the Governor Dummer varsity basketball quintet as the undergraduates won out 36 to 32 in a very exciting game in the Lang Gymnasium on February 1.

The Alumni had two strong fives, the first composed of Don Mortimer, Mike Lawler, Johnny Koslowski, Bob Nutter, and Russ Simons, the second having Bud Hasse, Hank Cleaveland, Charlie Hewitt, Ed Riley, and Bob Hale. The first group opened the game and by virtue of some fine shooting on the part of Koslowski, went into a 10 to 7 lead at the end of the first period.

As the game entered the final quarter the Red and White were ahead 33 to 19. Shortly after the start of the last stanza and with the Alumni 11 points behind, the first Alumni team put on a beautiful display of basketball. They brought the score to 34 to 32, but a basket on the part of the Governors near the final whistle put the victory within reach despite the frantic shooting of the graduates who were kept from scoring range by the boys' strong zone defense.

GOVERNORS DEFEAT ALUMNI

LACROSSE TEAM BY WIDE MARGIN

Despite the benefit of more experience, the Alumni lacrosse team proved no match for the Governors as the Academy team won 10 to 4.

The graduate team was composed of the following men: Carl Buechner, Gordon Ellis, Spence Brewster, Ed. Sheffield, Pete Pearson, John Hastings, Roland Will, and Adolf Haffenreffer. Pearson scored two of the alumni goals, while Sheffield and Haffenreffer made one apiece.

UNDEFEATED BASEBALL TEAM

This spring the school is particularly proud of its undefeated baseball team which up to the date of this writing has gone through six games unbeaten. The team has defeated Groton School, Browne and Nichols School, Milton Academy, Noble and Greenough School, Thayer Academy, and Kimball Union Academy.

With an exceptional pitcher and catcher in Ernest Bowler and Captain Guy Nichols the nine should continue its record.
